

**Question on installation of
additional street posting boxes near Discovery Bay North Plaza
(Paper CACRC 20/2016)**

Written reply from Hongkong Post

In response to the suggestion of installing a street posting box near Discovery Bay North Plaza made by Ms YUNG Wing-sheung, DC Member, the initial reply of Hongkong Post (HKP) is as below.

At present, apart from the one in Discovery Bay Post Office, there are 5 posting boxes in Discovery Bay which are located outside Discovery Bay Pier (No. 68), Haven Court (No. 370), Island View (No. 371), Star View (No. 372) and Siena One, Siena Avenue (No. 379)(see Annex) respectively. Records show that the utilisation of these posting boxes are quite low, with a daily average of 0 to 20 mail items collected from each box. In order to better use public resources, HKP is conducting an overall review on the posting facilities and their utilisation rate in the area, in which Ms YUNG's view will also be considered. To facilitate the review, a joint site visit with Ms YUNG was scheduled on 10 May 2016 to explore her suggestion.
