

Sai Kung District Council
Housing and Environmental Hygiene Committee
SKDC(HEHC) Paper No. 7/16

Food and Environmental Hygiene Department
Anti-mosquito Campaign 2016 (Phase I) in Sai Kung District

Purpose

To brief Members of the arrangements and details for the Anti-mosquito Campaign 2016 (Phase I) to be launched by the Food and Environmental Hygiene Department (FEHD) in Sai Kung District.

Background

2. The Anti-mosquito Campaign 2015 (Phase III) organized by FEHD was launched between 17.8.2015 and 9.10.2015. Actions taken in the district and the results are detailed at **Annex I**.

3. In 2015 (up to 26 November), there were one local, 105 imported, one unclassified and one under investigation dengue fever cases, one local and one unclassified Japanese encephalitis cases and no chikungunya fever case in Hong Kong. In order to safeguard public health and to sustain mosquito prevention and control efforts, FEHD will continue to strengthen mosquito prevention and control and organize the Anti-mosquito Campaign 2016 in three phases as follows -

Phase I	:	15.2.2016 to 18.3.2016
Phase II	:	25.4.2016 to 1.7.2016
Phase III	:	15.8.2016 to 21.10.2016

4. The Anti-mosquito Campaign 2016 (Phase I) to be carried out under the slogan “**Prevent Japanese Encephalitis and Dengue Fever Act Now!**” aims to achieve the following objectives -

- (a) To heighten public awareness of the potential risk of dengue fever, Japanese encephalitis, chikungunya fever and other mosquito-borne diseases;
- (b) To encourage community participation and forge close partnership of government departments concerned in mosquito prevention and control work; and
- (c) To eliminate potential mosquito breeding sites.

Mosquito Prevention and Control Operations

5. FEHD will carry out a series of operations focusing on removal of accumulation of water and mosquito prevention and control from 15.2.2016 to 18.3.2016 at potential mosquito breeding places in the district. Emphasis will be placed on locations in close proximity to human residences, schools, construction sites, public housing estates, hospitals, illegal cultivation sites, waterfront public and private cargo working areas and typhoon shelters. Please refer to **Annex II** for the action plan.

6. During the Campaign period, Pest Control Section of this district will deploy a total of 2 pest control teams to perform mosquito prevention and control work in accordance with the attached action plan and take the opportunity to offer knowledge and technical advice on the prevention and control of mosquito to the public.

Education and Publicity

7. On publicity and education fronts, FEHD will adopt the following measures in addition to arranging press releases, television and radio announcements in the public interest -

- (a) To produce publicity posters, pamphlets, banners and educational materials on prevention and control of mosquito for public circulation;
- (b) To distribute publicity materials widely through close liaison with the relevant government departments and local organizations to arouse public awareness of mosquito prevention and control;
- (c) To disseminate messages on mosquito prevention and control by broadcasting van;
- (d) To organize roving exhibitions at major shopping malls of housing estates and outreaching health talks for students and management of housing estates; and
- (e) To hold thematic exhibitions at the FEHD Health Education Exhibition and Resource Centre, and to include relevant information in the FEHD homepage.

8. To ensure smooth implementation of the Campaign, the Pest Control Advisory Section of the department would provide technical assistance in the mosquito prevention and control operations and the related publicity and education activities.

Local Participation

9. To enlist support and active participation of this District Council in the Campaign, District Council Members and Committee Members will be invited to participate in related events, organize publicity activities and at the same time, to offer views on the mosquito prevention and control work.
