

**Proposed Naming of the New Joint-user Building and the New Community Halls  
in Quarry Bay and Shau Kei Wan**

**Purpose**

The purpose of this paper is to consult Eastern District Councillors on the proposed naming of the new Joint-user Community Building and the new Community Hall at Greig Road, Quarry Bay, as well as the naming of the new Community Hall at Aldrich Bay Phase 4, Shau Kei Wan.

**Background**

2. The construction of the Joint-user Community Building at Greig Road, Quarry Bay commenced in February 2003, and is scheduled for completion in January/February 2005. This is a 3-storey building with an internal floor area of about 2,329 sq m. The ground floor will be a community hall and office premises under the Home Affairs Department, the first floor a day nursery and an elderly centre, and the second floor accommodation for electrical/mechanical services.
3. The construction of the Community Hall at Aldrich Bay Phase 4 commenced in March 2001, and is scheduled for completion in February/ March 2005. The Community Hall will have an internal floor area of about 805 sq m.
4. The community halls in Quarry Bay and Aldrich Bay each contain: a multi-purpose hall with a seating capacity of 450 or 320, male and female dressing rooms, a stage meeting room, a conference room, male and female toilets, etc.

**Names Proposed**

5. It is proposed that the Joint-user Building and the Community Hall at Greig Road, Quarry Bay be named "Quarry Bay Community Complex" and "Quarry Bay Community Hall" respectively, while the Community Hall at Aldrich Bay Phase 4 be named "Aldrich Bay Community Hall".

**Consultation**

6. Members' comments on and support for the names proposed in para. 5 are sought.
