

**ANNUAL POLICING PLAN 2005**  
**YUEN LONG DISTRICT**

**OBJECTIVE**

To ensure the law and order of Yuen Long District is maintained at a high level.

**PLAN**

Police will pursue the following enforcement priorities:

**At Force Level**

- 
- To prevent and detect violent crime through a strong police presence, and prompt response to reports.
  - To actively pursue triads and youth gangs by enhancing intelligence networks, targeting key personalities, and greater use of undercover operations.
  - To prevent and detect, and enhance public awareness of quick cash crimes.
  - To conduct regular exercises to test contingency plans, and provide appropriate protection against and maintain public awareness of, terrorist activities.
  - To publicize the harmful affects of drug abuse and take strict enforcement against those trafficking in dangerous drugs.
  - To take resolute enforcement against crimes committed by illegal immigrants and Mainland visitors.
  - To enhance enforcement of the "Selective Traffic Enforcement Policy" commensurate with prevailing conditions, strategically deploy police resources and strengthen road safety measures.

---

**At Regional Level in New Territories North Region**

- Maintain enforcement action against violent and quick cash crimes, with particular emphasis on domestic violence and serious assaults involving youths.
- Prevent and deter triad activities through interdiction of their source of income, in particular those involving in work projects, illegal vice activities, school and monopolization of illegal transportation business.
- Maintain public awareness by holding crime prevention seminars and meetings encompassing general policing issues with the community, including ethnic minorities, in order to build up confidence and engender information exchange.
- Take proactive measures against vehicle crime, particularly that involving theft of trailers and high performance vehicles.
- Maintain vigilance against illegal immigration and crimes committed by non-permanent residents.
- Maintain enforcement action against psychotropic drugs and their abuse by young people.
- Enhance road safety by taking effective enforcement measures under the "Selective Traffic Enforcement Policy" against major traffic accident causation factors and strengthen road safety awareness through education and publicity, with particular emphasis on cyclist, pedestrian and visitors.

**At District Level in Yuen Long District**

- Ensure strong police presence and provide prompt and professional response to reports of violent crimes;
- Take proactive action to reduce the incidence of burglary and robbery;
- Target action at reducing vehicle crime, with special emphasis on the rural

area;

- Conduct multi-agency operations to combat triad activity and take proactive action to tackling youth gangs prevailing in both street and school locales;
- Enhance professionalism and co-operation with Social Welfare Department in the response to and investigation of domestic violence incidents;
- Adopt multi-agency approach to tackle crime and prostitution involving Illegal Immigrants and Mainland Visitors; and
- Ensure free traffic flow and road safety by taking prompt enforcement action against inconsiderate driving behaviour, enhancing road safety awareness through education and publicity and recommending infrastructural changes to improve traffic flow within Yuen Long District

### PROGRESS

Half-yearly progress reports will be submitted to the Council.
