

**Improvement Works for Major Leisure Facilities
in the Central and Western District**

Leisure Venue		Improvement Works
1.	Chater Garden	Improvement works, including the refurbishment of the covered walkway, replacement of the brick surface of planters and improvement to water pressure in toilets, are carried out in Chater Garden from March to September 2014. During the works period, garden facilities will open as usual.
2.	Sun Yat Sen Memorial Park Swimming Pool	Sun Yat Sen Memorial Park Swimming Pool is temporarily closed from 16 April to 5 June 2014 for annual maintenance and repair works.
3.	Hong Kong Park (Aviary)	Improvement works, including the replacement of the surface of the wooden walkway, repainting the handrails and iron piers of the wooden walkway, and the replacement of benches, will be carried out in the Caged Display Area of the Hong Kong Park Aviary from May to December 2014. During the works period, the Caged Display Area will open as usual.
4.	Hong Kong Park (Outdoor Facilities)	Improvement works to the barrier-free facilities, including the expansion of the toilet for the disabled and provision of tactile guide paths, will be carried out at the toilets in the central part of Hong Kong Park from May to July 2014. During the works period, other toilets in the vicinity will open as usual.
