

C&WDC Paper No. 65/2021 – Annex I

Request for a Hong Kong Tram Museum in Central & Western District to document the history of Hong Kong trams

Reply from the Leisure and Cultural Services Department (LCSD):

Thank you for your letter of 12 May 2021. There are a number of considerations in relation to the setting up of a new museum, including overall planning and allocation of resources, etc. Currently, the LCSD has no plan to set up a thematic museum on Hong Kong trams. If required, the LCSD could facilitate studies on the history of Hong Kong trams.
