

# Lantau District Action Plan 2012

# **Lantau District Action Plan 2012**

## **Local Operational Priorities**

### **Violent crime**

1. Against the Public
  - Strong police presence.
  - Professional response and investigation.
2. Domestic Violence
  - Proactive approach with core concern on safety of victims.

### **Triads, Syndicated and Organized Crime**

- Proactively target triad figures, especially those exploiting the youth.
- Engage security sector to deter illegal debt collection activities through Operation 'FASTMARKER'.
- Combat syndicated smuggling activities.

### **Youth Involved in Drug, Triad and Acts of Vandalism**

- Engage youth-at-risk at the earliest opportunity.
- Explore tailor-made activities for youth-at-risk.
- Enforcement priority on gangs exploiting minors for drug trafficking.

- Utilize juvenile database for active targeting.
- Reinforce family values and social support to needy families through a new Project 'GUARDIANANGEL'.

## **Quick Cash Crime**

- Strategic deployment at black spots.
- Active targeting of criminal groups / repeat offenders.
- Engage public support in raising awareness.
- Enhance preventive measures in festive seasons.

## **Public Safety**

### **1. Public Events**

- Professionally manage public events including sports events.

### **2. Road Safety**

- Enforcement through the 'Selective Traffic Enforcement Policy' with special focus on cycling offences.
- Engage stakeholders to reduce fatal and serious accidents.
- Thematic education and publicity to promote safe cycling.

## **Violence Involving Persons with Mental Health Problem**

- Adopt an integrated approach with emphasis on early identification and intervention.

- Multi-agency collaboration for managing high risk cases.
- Enhance officers' training to ensure vigilance.
- Explore mechanism on proactive referral.

### **Handling Major Incidents**

- Strengthen capabilities of Emergency Response Cadre through enhanced training.
- Ensure aligned and coordinated actions with stakeholders.
- Maintain 'Database on Isolated Elderlies'.

### **Major Infrastructure Developments**

- Sustain understanding of their police implications.
- Engage stakeholders to mitigate negative traffic impact.
- Engage developers to combat crimes and triad infiltration.

### **Local Management Priorities**

- Strengthen officers' professional sensitivity.
- Develop an ethical culture within the District.
- Enhanced development for inspectors with exceptional potentials.
