

# LANTAU DISTRICT ACTION PLAN 2013

## LOCAL OPERATIONAL PRIORITIES

### Violent Crime

#### 1. Against the Public

- Strong police presence.
- Professional response and investigation.

#### 2. Domestic Violence

- Proactive approach with main concern on safety of victims and minors.

#### 3. Violence Involving Persons with Mental Health Problem

- An integrated approach with emphasis on safety of persons with mental health problem, family members and neighbours.
- Multi-agency collaboration to manage high-risk cases.

### Burglary

- Professional police deployment and intelligence-led operations.
- Publicity and maintenance on sustainable household security.

### Triad, Syndicated and Organized Crime

#### 1. Triads

- Proactive approach to target triad personalities and related activities.

- Professional response and investigation.

## 2. Syndicated and Organized Crime

- Intelligence-led operations with Marine to combat syndicated smuggling activities.

## **Youth Involved in Drugs, Triads and Acts of Vandalism**

- Enforcement priority on gangs exploiting minors and juveniles for drug trafficking.
- Proactive multi-agency approach to prevent students and juveniles from psychotropic drug abuse.
- Early identification and engagement of youths at-risk.

## **Quick Cash Crime**

- Strategic deployment at black spots, particularly during festive seasons.
- Enhancement of public awareness and community support.

## **Public Safety**

### 1. Public Events

- Proactive engagement of public event organisers and affected parties.
- Professional assessment and management of public events to ensure public order and safety.

### 2. Road Safety

- Enhanced enforcement through the 'Selective Traffic Enforcement Policy' with focus on drink driving, drug driving, speeding and cycling offences.

### 3. Major Incidents

- Strengthened emergency response capabilities through training and community support.
- Enhanced alignment and coordination with other government agencies and stakeholders.

### **Major Infrastructure Developments**

- Closer liaison with relevant stakeholders to mitigate negative traffic impacts caused by development works.
- Early engagement of developers to combat crimes and triad infiltrations within their construction sites.

## **LOCAL MANAGEMENT PRIORITIES**

- Integrity Management
- Development opportunities for inspectors and constables with exceptional potentials.

### **COLLABORATIONS WITH COMMUNITY**
