

Islands District Council
District Facilities Management Committee (DFMC)

Report of the DFMC Meeting held on 13 May 2013

Question on 2010/2011 District Minor Works Project – Restoring the Discovery Bay Mangrove Area

The Islands District Office (ISDO) would make an enquiry to the District Lands Office, Islands about the land ownership of the above project. If the project's site was located on private land, members would be asked to consider deleting the project from the list of works.

Question on Signature Project Scheme

2. The ceiling for each District Minor Works (DMW) Project was \$30 million, and the annual provision for district minor works project for the Committee was slightly more than \$11 million. As such, the estimate of Signature Project Scheme had already exceeded the financial capability of DMW Projects. Proponents were advised to shrink the scale of the Signature Project Scheme proposed, and submit a DMW Project proposal to the Committee, or pursue the proposal with the Government through other channels.

Question on installation of public seats and rain shelters at the Public Transport Interchange at Sunny Bay

3. The ISDO said that as Sunny Bay was located inside Tsuen Wan District, the project proposal had thus been referred to the Tsuen Wan District Council for consideration.

Proposed Projects under District Minor Works of District Facilities Management Committee for 2013/2014

4. The Committee endorsed that ISDO would conduct initial review of four DMW project proposals submitted for 2013/2014, for members' onward consideration whether they would be included into the list of DMW projects of the Committee.
