Report of the TTC Meeting held on 18 November 2013

Revised Public Transport Re-organization Plans to tie in with the
Commissioning of the West Island Line

Following the introduction of the preliminary plan in the last meeting, the Transport Department briefed the meeting of the revised re-organization plans and members gave their proposals, including increase of frequency and setting up of service timetable etc.

Question on tree pruning and road maintenance

2. The Highways Department said that the contractor had pruned trees along Keung Shan Road and Shek Pik Reservoir Road. The contractor would also arrange to repair the road surface of the section of Sham Wat Road turning into Keung Shan Road to Tai O Road.

Question on change of route for Airport bus No. A11

3. Citybus said that if Airport bus No. A11 was to en route the Central Piers, its route would be convoluted and much longer. Buses would also find it difficult to get close to bus-stops. Thus the existing route would remain unchanged.

Reports by Working Groups

4. Members noted the progress of making of publicity materials.

Any Other Business

5. Members noted the minor traffic improvements works to be conducted by Highways Department in Islands District before mid-November 2013 and their schedules. Highways Department was requested to provide list of the places where compensatory planting of trees would be conducted and departments responsible.
