

Villages in Islands District which already have fibre-based networks reaching the vicinity of the village entrances

The villages listed below include villages specified in the Rural Representative Election Ordinance and/or the List of Recognized Villages under the New Territories Small House Policy, and the villages mentioned in the information submitted by FNOs. According to the information submitted by FNOs to OFCA, the villages below already have fibre-based networks reaching the vicinity of the village entrances. Therefore, they are not included in OFCA's initial proposal of villages to be covered under the Subsidy Scheme.
