Islands District Council
Paper IDC 112/2018

**Question on Discovery Bay Marina Club refusing shelter for yachts
when Typhoon Mangkhut hit Hong Kong**

Ms Amy YUNG notified this Council that she would raise the following enquiry at the Islands District Council meeting to be held on 22 October this year:

“ According to news report, when Typhoon Mangkhut hit Hong Kong, 6 yachts (some were owned by members of Discovery Bay Marina Club) were not allowed to take refuge at the Marina Club, as a result the boats were destroyed and the wrecks were stranded in Nim Shue Wan, etc. May I ask the Marine Department whether there is any Ordinance in place to provide protection for yachts and boats in typhoons? ”
