I) Policing WITH the community

Anti-burglary

- Developing a communication platform and enhancing intelligence-sharing with the local community
- Enhancing burglary prevention awareness of residential security personnel and local residents and securing community support to reduce burglaries
- Ensuring a rapid and robust operational capability against burglary

Engaging the Non-Ethnic Chinese

- Strengthening the engagement and policing WITH the growing NEC community
- Developing a communication platform to enhance intelligence gathering with NEC community

Engaging the Youth

- Developing a platform and engaging with schools and NGOs to enhance communication with youth
- Enhancing intelligence-led operations against youth crimes, particularly street gangs and dangerous drugs

Policing with Stakeholders of HZMB HKBCF

- Maintaining effective communication and liaison with all stakeholders in order to preserve the integrity and security of HKBCF as well as travelers facilitation

II) Preparing the workforce to meet emerging challenges

Strengthening Internal Communication

- Instilling Force values and upholding of high standard of discipline and integrity
- Enhancing internal communication at all levels and fostering high morale, commitment and sense of vocation within the District

Supporting Frontline

- Reviewing operational needs and ensure the best use of resources so as to prepare for the emerging challenges

Enhancing Information Security

- Enhancing awareness and knowledge of Information Security

III) Other Priorities

- Handling and investigating reports of domestic violence professionally
- Enhancing traffic enforcement in closed roads and maintaining close liaison with stakeholders in view of the increasing number of closed road users
- Enhancing crime prevention and public awareness of technology crimes and deception
- Enhancing officers' awareness and capabilities of handling major incidents through collaboration with stakeholders and participating in trainings and exercises

DISTRICT PROJECTS

Project 'Lantau Eyes'

- Cooperating with District Fight Crime Committee, Rural Committees, village representatives and other stakeholders to promote installation of communal security camera systems in rural areas and reinforce the sense of shared ownership in tackling crimes
- Providing a digital platform for dissemination of crime prevention information to Rural Committees and local villagers

Project 'Fast Marker'

- Maintaining a close partnership with management companies to raise their awareness and tackle seasonal crimes
- Providing a digital platform for the public to receive and provide information to police

Project 'Vision Possible'

- Inspiring youth to explore their potentials and facilitate their personal development
- Joining hands with stakeholders, including DFCC, JPC and NGOs to provide diversifying activities.

Project 'One World'

- Developing a solid network with NEC community through various activities for effective engagement
- Adopting a multi-agency approach to sustain trust and support of NEC community
