Paper DFMC 17/2020**

**Question on “Joyful Reading at Your Neighbourhood:
Library-on-Wheels” Pilot Project**

Ms Amy YUNG notified this Council that she would raise the following enquiry at the District Facilities Management Committee meeting to be held on 11 May 2020:

“ At the meeting of the Islands District Council held in February this year, I noted that the “Joyful Reading at Your Neighbourhood: Library-on-Wheels” Pilot Project was implemented by the Leisure and Cultural Services Department (LCSD) since January this year. In this connection, I would like to invite LCSD to arrange representative to attend the meeting and respond to the following:

1. What are the background and details of the Pilot Project?
2. As reading habit may vary among communities, why are the District Councils (DCs) not consulted on the community-based Pilot Project beforehand?
3. Since the Pilot Project is currently suspended due to the epidemic, would the department enhance liaison with DCs and local groups during the suspension in the hope of their assisting in the promotion to attract public participation after resumption of the Pilot Project? ”
