Islands District Council Paper No. IDC 27 /2023

The Housing Department's Programme of Activities for Estate Management in the Islands District in 2023/24

This paper aims to brief Members on the Housing Department (HD)'s Programme of Activities and action items devised in the light of circumstances in the management of public rental housing (PRH) estates in the Islands District (the District) in 2023/24. During the year, HD will continue to provide quality homes for tenants, promote sustainable living, optimise and rationalise the use of public resources. The following are the action items.

Key Activities	Action Items
1 Provision of quality homes	1.1 To address the aspiration of low to middle-income families for home ownership
quanty nomes	1.1.1 To proceed intake of new Home Ownership Scheme (HOS) flats
	 Yu Nga Court, HOS development at No. 8 Ying Tung Road, Tung Chung, providing six public rental housing (PRH) blocks with 3,300 flats, was completed on 27 October 2022. Intake has been being proceeded since December 2022.
	1.2 To maintain a sustainable PRH stock through proactive improvement work programmes and a verification system
	1.2.1 To implement maintenance and improvement programmes and upgrading works to enhance existing PRH stock
	• The "Responsive In-flat Maintenance Services" will continue to be implemented in all public rental housing estates with the aim of providing improved and responsive in-flat maintenance services for all tenants.
	• The "Drainage Inspection Programme", which had been launched since October 2020 to inspect the communal drainage pipes located outside (PRH) blocks, was completed in November 2021.
	• The "Drainage Enhancement Programme", which has been implemented in phases since September 2022 to inspect the drainage pipes inside domestic flats, is expected to be completed by February 2025. Any defects of the drainage pipe found during inspection will be repaired immediately where possible.

Action Items
• In addition, HA has already amended the concerned Marking Scheme so as to facilitate HA to carry out works or inspections of "Drainage Enhancement Programme" in a more efficient manner.
2.1 To maintain estate cleanliness and environmental hygiene for healthy and harmonious living
2.1.1 To raise the awareness of PRH tenants on the Government's upcoming implementation of Municipal Solid Waste (MSW) Charging
• To continue to collaborate with Environmental Protection Department closely on its promotion activities; and promote PRH tenants' awareness of waste separation at source and clean recycling in getting prepared for the upcoming full implementation of MSW Charging through estate newsletter, partnering functions, etc.
2.1.2 To implement the "Marking Scheme"
We will continue to promote and implement the "Marking Scheme" for estate management enforcement in PRH estates to monitor misdeeds that affect environmental hygiene and estate management.
2.1.3 To keep PRH estates clean and hygienic
• We will continuously organise "Estate Cleaning Day" and "Community Cleanliness Day Carnival" in conjunction with other non-governmental organisations (NGOs) in PRH estates
 Cleansing service contractors will step up the cleansing and disinfection of hygiene black spots and public places in PRH estates to prevent mosquito breeding, rodent infestation and the spread of diseases like influenza
2.1.4 Hawker control
• The "Mobile Operations Unit" of HD will carry out enforcement actions on hawkers when necessary in PRH estates in the District. Joint operations with other government departments and relevant stakeholders will be carried out when necessary to combat illegal hawkers in the District.

Key Activities	Action Items
2 Promotion of	2.1.5 Anti-smoking
sustainable living	• Fixed Penalty Notices will be issued to offenders in statutory non- smoking areas of PRH estates in the District as an ongoing effort to support the Government's anti-smoking policy. If the offender is resident of the subject Estate, apart from fixed penalty, HD would allot points in accordance with the "Marking Scheme"
	2.1.6 To monitor throwing objects from height
	• The "Mobile Digital Closed Circuit Television System" will be in place to monitor black spots where objects are thrown from height. "Special Operation Teams" (SOTs) against throwing objects from height will also be deployed to PRH estates at least once a month to detect and combat such crimes
	2.1.7 To detect unauthorised dog keeping in PRH estates
	Continue to deploy SOTs against unauthorised dog keeping to patrol PRH estates in the District once a month on average
	2.2 To raise the environmental protection standard of PRH estates
	2.2.1 To continue implementing ISO14001 and ISO50001
	 ISO 14001 Environmental Management System certification and ISO 50001 Energy Management System certification will be maintained in all PRH estates
	2.2.2 To raise residents' awareness and to strengthen protection of the environment
	• We will promote the reduction of domestic waste in PRH estates. In addition to the provision of three-coloured recycle bins in the estates, the implementation of the "Source Separation of Domestic Waste Programme" and joint efforts with the Environmental Protection Department in the recovery of "Regulated Electrical Equipment", rechargeable batteries, glass bottles, compact fluorescent lamps and fluorescent tubes, we will also encourage green groups to organise activities such as the recovery of computers and "barter trade"

Key Activities	Action Items
2 Promotion of sustainable living	 A proactive approach is adopted to encourage tenants to reduce municipal solid waste, prevent and reduce food waste at source, and sort different types of recyclable and reusable materials for recycling
	 Promotion of environmental protection and waste reduction will be carried out through various channels such as videos broadcast via social media, display of promotion banners and posters in PRH estates
	2.3 Greening in PRH estates and enhanced tree management
	Ongoing landscape improvement works will continue to be implemented to enhance estate greening and landscaping
	• Tree risk assessments will be conducted and necessary improvement measures will be taken. "Estate Tree Ambassadors" will be recruited in PRH estates to assist in tree risk management through community-wide surveillance
	2.4 To develop a tighter bond in the community and cater for tenants' needs
	2.4.1 To facilitate community engagement and building through community building activities organised by NGOs
	HD would invite district NGOs to provide supporting services for the elderly, families, women, and children as well as outreaching services, training and learning programmes for the youth and to organise environmental and greening activities
	• To further enhance the channels of communications with PRH tenants, HD would expand both traditional and electronic means including using QR code and hyperlink on notices, as well as placing suggestion boxes at the ground floor lobbies of domestic blocks, etc. so as to collect views on estate management matters from PRH tenants
3 Optimisation and	3.1 To rationalise the allocation of public housing resources and expedite the turnover of PRH flats
rationalisation of the use of public housing resources	 Transfer opportunities will be offered to sitting tenants under various transfer schemes

Key Activities	Action Items
3 Optimisation and rationalisation of the use of public housing resources	• Continuously carried out enhanced "Housing Subsidy Policy" and the "Policy on Safeguarding Rational Allocation of Public Housing Resources" (Well-off Tenants Policies). Tenants who own a private residential property in Hong Kong are required to surrender their flat
	3.2 To combat the abuse of public housing resources
	• Home visits to tenants' flats will be made and tenancy management will be strengthened. The public will be reminded through publicity and education to cherish public housing resources
	• The "Public Housing Resources Management Sub-section" of HD will conduct in-depth investigation into and comprehensive surveillance of suspicious cases to prevent the abuse of public housing resources
	3.3 To implement assistance schemes that foster mutual family support and care for the elderly
	3.3.1 To continue the implementation of enhanced housing policies on the building of family harmony to promote mutual family support and care for the elderly
	• The "Harmonious Families Addition Scheme" allows the addition of eligible adult offspring (and their family members) of elderly tenants living alone and of households comprising all elderly members to the tenancy
	• The "Harmonious Families Transfer Scheme" gives tenants opportunities to move to the same estate where their elderly parents or offspring live for mutual care
	• The "Harmonious Families Amalgamation Scheme" allows eligible younger tenants to merge their tenancies with those of their elderly family members
