

Lantau District Operational Priorities 2026

National Security

- Prevent and deter acts and activities endangering national security.
- Enhance communication and cooperation with relevant community stakeholders, and enlist public trust and support for the roles and responsibilities of Police in safeguarding national security through raising the public awareness of national security.

Violent Crime

- Ensure effective deployment of resources to deter violent crime, particularly at high-risk locations.
- Strengthen intelligence-led operations against street gangs and their activities, particularly those involving youths.
- Ensure professional and sensitive case handling when investigating violent crime, particularly those cases involving vulnerable persons.

Triads, Syndicated and Organised Crime

- Target triad personalities and activities, in particular those exploiting youths, by mounting intelligence-led operations.

Drugs and Substance Abuse Among Students and Youth

- Promote awareness and prevent the abuse of drugs and substance by students and youths through a multi-agency and community-based approach.

Deception and Quick Cash Crime

- Enhance public awareness and secure support through public-private partnership and multi-agency approach to prevent deception and quick cash crime, in particular burglary, shop and miscellaneous theft.
- Ensure strategic deployment of resources to blackspots of quick cash crime.

Cyber Security and Technology Crime

- Enhance public awareness of cyber security and technology crime as well as the risks and liabilities associated with the Internet and social media through a multi-agency approach.

Public Safety

(a) Public Events

- Strengthen public trust, understanding of, and support for, the roles and responsibilities of Police in maintaining national security, public order and safety for the community, in particular among youths.
- Engage organisers, the media and other stakeholders of public events to enhance mutual understanding and enlist their support.
- Ensure public events, sports, entertainment and celebration events are held in a safe and orderly manner, through proactive engagement and coordination with relevant stakeholders, including event organisers, venue operators and different government bureaux/ departments for effective planning and execution.

(b) Road Safety

- Reduce fatal and serious traffic accidents, particularly those involving public transport, cycling, motorcycles and goods vehicles, through a multi-agency approach.
- Promote safe cycling, and pedestrian safety with particular emphasis on elderly.
- Ensure smooth traffic flow through application of the Selected Traffic Enforcement Priorities (STEP) and the use of technology.

(c) Major Incidents and Extreme Weather

- Ensure preparedness for major incidents and extreme weather situation by conducting regular multi-agency exercises to test and improve contingency plans.
- Provide a professional, coordinated and rapid response through cooperation among government bureaux/departments and engagement with stakeholders community-wide.

Terrorism

- Strengthen intelligence gathering and counter-terrorism capability to deter and prevent terrorist activities through the collaboration with government bureaux/departments and other agencies.
- Enhance public participation and preparedness against terrorist or violent attacks by collaboration with the operators of critical infrastructure and other identified specific locations to enhance protection, reduce vulnerability and strengthen multi-agency response capability.

Policing of the Significant International Events

- Ensure the 2026 Asia-Pacific Economic Cooperation Finance Ministers' Meeting and the 94th INTERPOL General Assembly are held in a safe, orderly and secure manner.
- Adopt a multi-agency approach to provide an effective operational strategy and facilitate the effective deployment of resources to organise and manage the significant international events.

To Enhance the Quality of Policing Services by Leveraging Technologies

- Provide quality services and greater convenience to the public through launch of digital services, whilst streamline internal workflow and redeploy much needed manpower back to the frontline.

District Projects

Harmony

- Disseminate crime prevention messages through various digital platforms.

Lantau SKY

- Provide a platform for Non-Ethnic Chinese students to engage in healthy activities and to develop leadership and positive values.

One World

- Expand engagement activities with the objective of promoting a tolerant, inclusive, and harmonious community for all.

Lantau Eyes

- Work in partnership with District Fight Crime Committee, Rural Committees, Village Representatives and other key stakeholders to develop a sense of shared ownership in tackling policing issues.

SHIELDGUARD

- Combat against illegal debt-collection activities.
