

**Sai Kung District Office  
Annual District Plan 2026-27**

**Purpose**

This paper aims to set out the Annual District Plan 2026-27 of the Sai Kung District Office (SKDO).

**Work Targets**

2. SKDO will continue to be committed to promoting governance at the district level, enhancing the communication between the Government and the public, connecting with and caring for the public, and building a harmonious community. SKDO assists in publicising and explaining government policies on one hand, and gauging public opinions and local sentiments on the other. By ensuring effective two-way communication between the Government and the public, the Government will be able to formulate policies and provide services that better meet the public's needs as well as enhancing people's sense of achievement and satisfaction.

**(I) District Committees**

3. The District Committees under SKDO, including the Sai Kung District Fight Crime Committee, the Sai Kung District Fire Safety Committee, the Sai Kung Area Committee, the Tseung Kwan O (South) Area Committee and the Tseung Kwan O (North) Area Committee, make proactive efforts in community liaison and building, with a view to promoting continuous development of the district. The aforesaid committees will organise a wide range of activities in 2026-27, such as "LET'S SHINE Positive Life Singing Contest", "Youth Bazaar cum Mini Concert", "Tseung Kwan O (North) Pickleball Experience Day", "Community Harmony Carnival" and "Hill Fire Prevention Publicity Campaign for Chung Yeung Festival 2026".

**(II) District Services and Community Care Teams (Care Teams)**

4. The formation of Care Teams seeks to consolidate community resources and forces to support the Government's district work and strengthen district networks. Care Teams will organise caring activities and assist in handling incidents and emergencies. Besides, Care Teams can help the Government disseminate information to the public and report the views of the public to the Government.

5. The first-term service agreements for Care Teams of Sai Kung District have

completed in October 2025, and the performance of the 29 Care Teams has been widely recognised. In response to continued population growth, the total number of the second-term Care Teams of Sai Kung District has been increased to 30. The Care Teams will continue to provide a variety of caring services to residents, with the aim of building a caring community. The Care Teams will organise a number of activities in 2026, including care visits to households, simple home repairs, health talks, and festive activities.

### **(III) Celebration of the 77th Anniversary of the Founding of the People’s Republic of China**

6. 1 October 2026 marks the 77th anniversary of the founding of the People’s Republic of China. SKDO will organise a series of activities and publicity campaigns to celebrate the National Day with the public. The National Day celebrations this year will feature an array of events to encourage even more people to join and share the joy of the National Day. Examples of celebration events include “Lantern Display in Celebration of the National Day and Mid-Autumn Festival”, “National Day Reception in Celebration of the 77th Anniversary of the Founding of the People’s Republic of China”, “Sai Kung District Soccer Tournament (6 teams invited)”, “Sai Kung District 10 km Run and 2 km Family Fun Run 2026”.

### **(IV) Celebration of the 29th Anniversary of the Establishment of the Hong Kong Special Administrative Region**

7. The year 2026 also marks an important milestone for the Hong Kong Special Administrative Region as it reaches its 29th anniversary of establishment. SKDO will collaborate with local organisations to hold various large-scale celebration events including “Dragon Boat Carnival”, “Sai Kung Fun Day”, “Sai Kung District Variety Show” and hang national flags and regional flags in the district between June and July 2026, so as to spread the joy of Hong Kong’s return to the Motherland among the local public.

### **(V) Youth Development**

8. Established under SKDO, the Sai Kung District Youth Development and Civic Education Committee and the Sai Kung District Youth Community Building Committee will continue their efforts in promoting youth work in the district. In 2026-27, the committees will organise activities including “Sai Kung Tseung Kwan O Outstanding Youth Commendation Scheme”, “Civic Education Drama Tour”, “Basic Law Orienteering Fun Day”, visit to the Safe Community Hub for local young people, as well as participate in and promote community building, etc. SKDO will also subsidise schools, youth service centres and local organisations in the district to conduct various youth development programmes. In addition, SKDO will continue to implement the “Sai Kung Youth Ambassador Programme” to nurture youth leaders.

## **(VI) Promotion of Activities on Patriotic Education**

9. In order to further promote patriotic education at the district level, SKDO will join hands with numerous local organisations and schools of the district to organise publicity activities on patriotic education in 2026. These activities will be conducted in diverse forms to deepen participants' understanding of our country's history and culture as well as national affairs, and to enhance their recognition of traditional Chinese culture, thereby encouraging them to inherit and promote the spirit of patriotism.

## **(VII) Community Involvement Programme**

10. With a view to promoting community building and district harmony, SKDO implements the Community Involvement Programme (CIP) to provide funding to government departments, non-governmental organisations, the Sai Kung District Council (SKDC) or committees/working groups under SKDC/SKDO for implementing projects and activities relating to the promotion of sports, arts and culture, local events and celebration events, as well as greening and volunteer work, etc.

11. Among a wide variety of CIP activities and projects in Sai Kung District, SKDO and Po Leung Kuk (PLK) will co-organise "National Security in TKO, National Security in PLK – Embracing a Low-carbon Lifestyle for Ecological Security" on 11 April 2026, promoting National Security Education Day to the locals in collaboration with PLK affiliated schools in the district. In addition, SKDO will hold "Sai Kung District Chinese New Year Decoration" for citizens to "check in" and enhance the festive atmosphere for Chinese New Year. A Sai Kung District Spring Reception will also be organised to foster exchanges and communications among government departments, SKDC, District Committees, rural committees, local organisations, local leaders and public organisations. In order to promote racial diversity and inclusion, SKDO has collaborated with social welfare organisations in the district to launch the "Racial Harmony Programme (Sai Kung District)", so as to strengthen interaction between ethnic minorities and local residents, and enhance the community's understanding of ethnic minority cultures. Other highlights include "Sai Kung Tin Hau Festival", "Halloween celebration event", "Mini Concert & Carnival", activities celebrating Hong Kong's return to the Motherland and the National Day, "Poon Choi Banquet for the Elderly in Sai Kung and Tseung Kwan O", and activities promoting patriotic education, etc.

## **(VIII) District-led Actions Scheme**

12. There are a total of five projects under the District-led Actions Scheme for 2026-27 in Sai Kung District, including (i) tackling street management problems - illegal shop front extensions and obstruction of public places; (ii) tackling illegal occupation of public roads to carry out recycling activities; (iii) clearance operations against indiscriminately parked bicycles; (iv) enhancing mosquito control; and (v)

enhancing support services for building management. SKDO will continue to take forward the relevant work projects in a proactive manner, and reinforce the effectiveness through communication with SKDC, members of the public, relevant industries and government departments, so as to further alleviate the long-standing, significant and thorny problems in the district.

#### **(IX) District Minor Works Programme**

13. The District Minor Works (DMW) programme aims at improving local facilities, living environment and hygienic conditions in the territory to enhance the quality of people's lives. SKDO will continue to implement the DMW programme, the minor works projects identified therein include "Improvement works at the football pitch (Western side) at Tai Po Tsai, Hang Hau", "Improvement works to drainage near lamp post no. VA6640 at Ha Yeung, Hang Hau", "Improvement works to drainage near lamp post no. VE6628 at Nam Pin Wai, Sai Kung", and provision of sitting-out facilities/rain shelters/other facilities, improvement of drainage facilities and pedestrian links, and beautification/greening works, etc.

#### **(X) Rural Public Works Programme**

14. The Rural Public Works (RPW) programme aims at upgrading the infrastructure and improving the living environment of the rural community. SKDO will continue to implement the RPW programme in consultation with the RPW Sai Kung District Working Group, the works projects identified therein include "Improvement to access road near lamp post no. VE3609 at Mang Kung Uk, Hang Hau", "Improvement to access road near lamp post no. V7880 at Shan Liu, Sai Kung", and improvement of access road, footpath and drainage facilities, etc.

#### **(XI) Election Work**

15. SKDO will assist the Registration and Electoral Office in the relevant publicity and preparation work for the 2026 Voter Registration Campaign and the 2026 Election Committee Subsector Ordinary Elections. Furthermore, the voter registration campaign for the Rural Representative Election will be initiated in April, when SKDO will start the voter registration and promotion work. The Rural by-election will be held in May.

#### **(XII) Meet the Public Scheme**

16. SKDO will continue to assist SKDC in implementing the "Meet the Public Scheme", which will take place from 6 p.m. to 8 p.m. every Wednesday in Tseung Kwan O and Sai Kung<sup>1</sup> alternately. To further facilitate members of the public to

<sup>1</sup> The meeting venues are the Conference Room of Hang Hau Community Hall (Address: G/F, Sai Kung Tseung Kwan O Government Complex, 38 Pui Shing Road, Hang Hau,

participate in the Scheme, starting from April 2025, a “Mobile Meeting Room” has been introduced under the Scheme apart from the aforesaid designated venues. Mobile street counters are set up from 5 p.m. to 7 p.m. on the last Wednesday of each month at locations with high pedestrian flow within the district (such as near MTR stations) to listen to the views of the public on a rotational basis. The duty roster for “Meet the Public Scheme” in 2026 has been uploaded to the SKDC website.

### **(XIII) Building Management**

17. It has all along been the Government’s policy to assist property owners in discharging their responsibilities for building management. As at late 2025, there were 151 owners’ corporations and 61 owners’ committees established among the private housing estates in Sai Kung District. In addition, SKDO has organised various educational activities for owners, such as inviting relevant departments to arrange briefing sessions, exhibitions and legal thematic talks, etc. to assist them in discharging their responsibilities for managing and maintaining their properties. With the Building Management (Amendment) Ordinance 2024 taking effect from 13 July 2025, SKDO has strengthened the publicity by organising briefing sessions. Moreover, the Working Group on Building Management has been established under SKDC. The Working Group enables SKDC members to share experience and exchange views on promoting effective building management practices within the district, thereby enhancing their efficiency in handling building management matters.

### **Conclusion**

18. SKDO will continue its people-oriented approach and be strongly committed to driving forward the above work, with a view to building a more liveable and enjoyable Sai Kung District.

Annual District Plan 2026-2027**

**Purpose**

This paper aims to set out the Annual District Plan 2026-27 of the Wong Tai Sin and Sai Kung District Social Welfare Office (DSWO).

District Welfare Needs and Work Objectives

2. Societal, personal, and family stress are controversial factors to the makeup of the mental health of citizens. Particularly, the elderly, persons with disabilities and their caregivers face more challenges resulted from social, economic, and physical changes. To address social needs in supporting vulnerable groups and those families in need, especially their caregivers, the DSWO will continue to strengthen support for the elderly, persons with disabilities, and caregivers through cross-service and cross-sector collaboration in 2026-27 so as to make good use of community resources to promote a caring community, improve residents' emotional and mental health, strengthen family relationships, and protect children in need. DSWO will also strive to enhance collaboration and experience sharing with local stakeholders, optimise social welfare services, promote mutual help among neighborhood so as to build a harmonious and friendly community.

(I) Elderly Services

3. DSWO will continue to promote and strengthen elderly support services and measures, including the ongoing implementation of the "Support for Carers Project", encouraging participation of community members, including companies and employers, to join hands to build an "elderly-friendly" and "caregiver-friendly" community. In addition, DSWO will enhance collaboration with Care Teams through the "Scheme on Supporting Elderly and Carers" to identify and support singleton and doubleton elderly households and caregivers in need, and to provide them with persistent concern and refer them to community services as appropriate. On the other hand, through the "Opportunities for the Elderly Project", we will continuously motivate elderly persons to participate actively in community activities to develop their potentials, endure their contribution to society, and promote a lively and meaningful living for the elderly.

(II) Rehabilitation Services

4. To strengthen support for persons with disabilities, their caregivers and family members, DSWO will continue to promote collaboration among district rehabilitation service units, local organisations, and stakeholders, showcasing the multifaceted abilities and talents of persons with disabilities, promoting social inclusion; caring for the physical and mental health of caregivers, promoting respite care services, and alleviating the stress of caregivers. In addition, “Mental Health Promotion Ambassadors” will be trained to enhance community members’ understanding of mental health and community resources through publicity and educational activities. Meanwhile, early identification and intervention will be strengthened to bridge the individuals with mental health or emotional issues with appropriate services.

(III) Family and Child Welfare Services

5. To encourage families to positively face adversity and stress, DSWO will continue to work with district collaborative partners to implement the “Happy Living Community Campaign”, for promoting positive thinking and mental health to the public. At the same time, in response to the “Publicity Campaign on Strengthening Families and Combating Violence”, the “@LOVE” project will continue to be supported, promoting harmonious family and zero-violence community atmosphere. In addition, to echo the implementation of the “Mandatory Reporting of Child Abuse Ordinance” and strengthen child protection, DSWO will continue to launch local publicity and public education on preventing domestic violence, through organising seminars and workshops, enhancing the public and relevant professionals’ capacity to identify child abuse cases and promote multi-professional cooperation.

(IV) Youth Services

6. DSWO will organise a diversity of activities through coordination with various youth service units and district collaboration platforms for addressing the mental health of young people, assisting students from disadvantaged families to broaden their horizons, enhance their confidence, establish a positive perspective on life, as well as develop their potentials and resilience. In addition, in response to issues of youth delinquency, drug abuse, and online crimes, DSWO will continue to strengthen collaboration with the Police, Hospital Authority, Education Bureau, and local stakeholders to provide appropriate assistance and support for at-risk youths and their families.

(V) Community Collaboration and Promotion of Volunteer Service

7. To mobilize community resources, DSWO will continue to promote collaboration among government departments, non-governmental organizations, and local stakeholders through various cluster-based community platforms, such as the “Tsui Lam Service Collaboration Alliance” and the “Tseung Kwan O (South) Community Collaboration Network”. In addition, DSWO will periodically organize sharing sessions and update social welfare service information, assisting residents in understanding community resources and social welfare facilities, and promoting local stakeholders’ participation in community care actions and in building social capital. Through volunteer award presentation, the contributions of social service agencies, local organizations, and school volunteers in the district will be commended, with a view to strengthening community cohesion and positive energy, and building a caring and inclusive community together.

**Leisure and Cultural Services Department  
Annual District Plan 2026-27**

**Purpose**

This paper aims to set out the Annual District Plan 2026-27 of the Leisure and Cultural Services Department (LCSD).

**Recreation and Sports Programmes**

2. Committed to promoting “Sport for All”, the LCSD provides people of varying ages and physical abilities in the district with diversified recreation and sports programmes, in a bid to encourage the public to get into the habit of regular participation in sports and physical activities and lead a healthy lifestyle in furtherance of the “Sport for All” policy. The Sai Kung District Leisure Services Office of the LCSD has drawn up an annual plan for the organisation of recreation and sports programmes for 2026-27, with about 1 646 programmes anticipated to be organised throughout the year for about 118 038 participants. Details of such programmes are at **Annex I**.

**Cultural Programmes**

3. In 2026-27, LCSD planned to present “18dART – Community Arts Scheme”, “Community Cultural Ambassador Scheme”, “School Performing Arts in Practice Scheme”, “Arts Experience Scheme for Senior Secondary Students”, “ ‘Dance for All’ Community Care Inclusive Dance Scheme”, Music Office Music Promotion Activities, etc., in Sai Kung District, to encourage the community members and art groups to participate in performing arts activities and to cultivate the community members and students’ interest in performing arts. It is anticipated that approximately 75 performing arts activities will be held throughout the year, with about 11 430 participants. The planned programmes are listed at **Annex II**.

**Library Extension Activities**

4. The LCSD regularly organises a variety of extension activities in public libraries in the Sai Kung District to encourage the use of library facilities and promote lifelong learning among members of the public and students in particular, as well as to foster a reading culture in the community. A total of 754 district-based activities are planned to be held in public libraries in the Sai Kung District for 2026-27, with an estimated attendance of about 548 200. Details of the district-based activities are

at **Annex III**.

**Remarks:**

- (1) Among them, two pairs of aided primary and secondary schools and four pairs of DSS schools adopt the “Through-train” Mode.
- (2) All government and aided primary schools in the Sai Kung District adopt small class teaching.
- (3) Among them, one special school is a hospital school.

## **(I) Education Measures**

### Implementing Policies

4. SKDSDS is committed to promoting and implementing policies / initiatives for the Education Reform and Curriculum Reform, and supporting schools in their implementation of these policies / initiatives. SKDSDS also explains education policies / initiatives to the community, including District Council members and related sub-committees members, and enlists their support for implementation.

### Overseeing the Quality of Education in Schools

5. EDB has introduced the School Development and Accountability (SDA) framework to publicly-funded schools since the 2003/04 school year, with a view to supporting schools to manifest the spirit of school-based management (SBM), thereby promoting their perpetual development and self-improvement and enhancing their accountability and transparency through school self-evaluation (SSE). External School Review (ESR) has then been adopted as an external quality assurance mechanism to validate the effectiveness of the SSE. To tie in with the announcement of “The Chief Executive’s 2022 Policy Address” to strengthen the SBM, EDB launched the enhanced SDA framework to bolster the accountability of staff in publicly-funded schools in providing quality school education and enhancing the national education through the adoption of a whole-school approach. Starting from the second term of the 2023/24 school year, EDB has uploaded the concluding chapter of the ESR reports to EDB website for public access. SKDSDS will continue to provide professional support to schools in the Sai Kung District on administration matters as well as learning and teaching.

## **(II) School Aspect**

### National Security Education

6. National Security Education (NSE) is an important component of values education. It is inseparable from national education and an indispensable part of school curriculum. In order to support schools to promote NSE, EDB has consolidated resources related to NSE on EDB website to facilitate schools’ searching for the resources. Teachers can also visit the “National Education One-stop Portal” website to search for other resources related to national education.

### Regulating Schools

7. In order to ensure schools’ compliance with the Education Ordinance, the Education Regulations, relevant policies and guidelines, SKDSDS will continue to conduct school inspections and visits.

### **(III) Staff Aspect**

#### Appointment of Teaching and Non-teaching Staff in Schools

8. EDB has continuously implemented a number of initiatives to enhance the quality of teachers and strengthen their professional conduct. SKDSDS will timely remind all schools in the Sai Kung District on matters relating to the appointment of teaching and non-teaching staff in schools and relevant measures adopted to strengthen their roles as gate-keepers. Schools should be well informed of the applicants' personal backgrounds and give due consideration, including apply to EDB for releasing information regarding teacher registration status of the applicant, upon seeking his/ her consent. Prior to appointing teachers, schools must verify whether the teachers to be appointed have passed the Basic Law and National Security Law Test (BLNST). Schools must request prospective employees to undergo Sexual Conviction Record Check (SCRC) at the advanced stage of the employment process. This is to verify the sexual conviction records as declared by them.

#### Continuing Professional Development and Training Requirements of Principals and Teachers

9. All along EDB enhances the principals' professionalism through various initiatives, enabling them to lead effectively in the ongoing development of their schools. Starting from the 2004/05 school year, Aspiring Principals must attain the Certification for Principalship (CFP), in addition to complying with the appointment conditions in force at the time, before they can be considered for principalship in public sector or DSS schools. Starting from the 2002/03 school year, Newly Appointed Principals (NAPs) must undergo a Designated Professional Development Programme offered by EDB. All NAPs must complete the Professional Development Programme for NAPs and the Leadership Enhancement Programme within the first three years of their principalship. Starting from the 2002/03 school year, Serving Principals are required to participate in at least 150 hours of Continuing Professional Development (CPD) activities in every three-year cycle, approximately 50 hours per year. Starting from the 2026/27 school year, if the candidate being considered for appointment as principal has yet to attain the CFP, he/ she must possess both valid Needs Analysis and Preparation for Principalship certificates on the date of acting appointment or have submitted the portfolio to EDB (with its assessment in progress) in order to be eligible for acting appointment approved by EDB.

10. EDB has been attaching importance to in-service professional training of teachers. All teachers, regardless of rank and position, are required to undertake no less than 150 hours of CPD activities by the end of each three-year cycle. Starting from the 2020/21 school year, newly-joined teachers and teachers aspiring for promotion are required to take 30 hours of core training, with particular emphasis on teachers' professional conduct, and including contents pertaining to the Constitution, the Basic Law, and the National Security Law in the core training. Newly-joined and serving teachers are required to enrol in the training programmes within three years, while teachers aspiring for promotion are required to complete the training within five years before promotion. In addition, newly-joined teachers in publicly-funded schools and teachers aspiring for promotion in public sector schools will also be required to participate in the Mainland study tours, to experience the development of our country and

strengthen their abilities to help students foster a sense of belonging towards the country.

#### Organising Networking Activities

11. To enhance the quality of education, SKDSDS will continue to create opportunities for networking teachers/ schools, promote and share successful experiences in school management and teaching practices at the district level to foster professional development among teachers. In 2026-27, SKDSDS will continue to aligned with the development needs of schools in the district and to collaborate with the principal associations in the district to organise district-based networking activities on the themes of “Patriotic Education” and “Internal Assessment for the Secondary School Places Allocation System (SSPA)”.

#### **(IV) Student Aspect**

##### Placement Assistance Services

12. EDB is committed to providing 12-year’s free primary and secondary education to all eligible local children through public sector schools. Eligible children from the age of 6, have the right to enjoy basic education in public sector schools. Under the existing policy, all parents must send their children (aged 6 to 15) to attend schools. Under the principle of upholding students’ rights to education, SKDSDS will continue to provide placement services to newly arrived children and other students who require assistance.

13. If students aged 15 or above (including Newly-arrived Children and children who were admitted to Hong Kong as dependants under various talent admission schemes) wish to seek placement assistance services from EDB for Secondary Four or above, SKDSDS will provide information on schools in Sai Kung District with available school places, enabling parents to submit admission applications directly to their preferred schools for their children. Starting from the 2025/26 school year, placement assistance services has been extended for students aged 15 or above who are in need, in order to cater for their schooling needs at the senior secondary level.

#### **(V) Parent Aspect**

##### Home-school Co-operation and Parent Education

14. Parents play a vital role in their children’s development and learning. In promoting home-school co-operation and parent education, EDB’s major strategy is to forge home-school partnerships through the platform of kindergartens, primary and secondary schools, to facilitate students’ effective learning and healthy development. The Government also provides funding for Parent-Teacher Associations (PTAs) in schools to encourage schools to set up PTAs and organise home-school co-operation activities and/ or parent education programmes or activities. SKDSDS will continue to support the activities organised by the Federation of

Parent-Teacher Associations of the Sai Kung District, in order to promote positive attitudes among parents towards home-school co-operation and parent education.

## **Conclusion**

15. SKDSDS will continue to promote the educational development in the Sai Kung District, as well as to provide appropriate support services to meet the needs of students, teachers, schools and other stakeholders related in the district.

**Environmental Protection Department  
Annual District Plan 2026-27**

**Purpose**

This paper aims to set out the Annual District Plan 2026-27 of the Environmental Protection Department (EPD).

**Work Targets**

2. The EPD is mainly responsible for enforcing pollution control legislations, implementing policies on environmental protection, and handling pollution complaints in Sai Kung District through its Regional Office (East). Besides, in order to facilitate environmental compliance, EPD has established partnership programmes with trades and offered assistance and advice on compliance related matters. Moreover, activities are also organised with District Councils and local communities to promote public awareness and concern for environmental matters.

3. EPD will continue to keep a close watch on pollution problems in the district. Our primary action items are as follows:

**(I) To enforce pollution control legislation**

4. To implement control over polluters by enforcing pollution control legislation; and to manage and monitor pollution problems in the district through different permit and licensing systems.

**(II) To address community needs and handle pollution complaints**

5. To provide prompt response to enquiries and complaints about pollution in the district through a hotline service; to conduct investigation under our purview and prosecute offenders.

6. Priority item for 2026-27 would include various anti-flytipping measures in the district including ambush operations to flytipping hotspots for around 8 times a month and installation of CCTV surveillance cameras at strategic locations.

**(III) To partner with various trades in promoting environmental compliance.**

7. To form partnership with trades and to enhance their knowledge on environmental protection and promote environmental compliance through seminars, guidelines or liaison meetings.

8. Priority item for 2026-27 would include displaying education banners along Wan Po Road; distributing leaflet as well as issuing reminder notes to landfill users without proper cover for their transported waste at entrance of the South-East New Territories landfill extension to arouse awareness of heavy vehicle drivers on environmental hygiene issues.

**(IV) To arouse public awareness on environmental protection**

9. The EPD will continue to promote waste reduction and recycling. Initiatives include enhancing the community recycling network and strengthening promotion and education on waste reduction and recycling for the public and at school level to encourage members of the public to integrate waste reduction and recycling into their daily lives.

10. The follow-on contracts for GREEN@PO LAM and GREEN@SAI KUNG TOWN commenced service in September 2025, operating from 8:00 to 21:00, with self-service recycling for 8:00-10:00 and 17:00-21:00. For GREEN@SHEUNG TAK and GREEN@KIN MING set up in Public Rental Housing estates, the operating hours have also been extended from 10:00 – 20:00 to 8:00 – 21:00 on Mondays and Thursdays. Staff will be on duty from 11:00 – 18:00 to provide assistance to the public, and the remaining operating hours are for self-service recycling. The Environmental Protection Department is gradually transforming the operation of Recycling Stores into self-service smart recycling facilities. In addition, the EPD will continue to implement “We-recycle@School” Activity to encourage students to actively practise waste reduction and recycling together with their family members. Currently, over 590 primary and secondary schools have participated in the Activity, including about 30 primary and secondary schools in Sai Kung.

**Housing Department  
Annual District Plan 2026-27**

**Purpose**

This paper aims to set out the Annual District Plan 2026-27 of the Housing Department (HD) in Sai Kung District.

**Work Targets**

2. In 2026-27, HD is committed to providing quality homes, promoting sustainable living, optimising and rationalising the use of public resources, and encouraging upward mobility, as well as implementing various estate maintenance and improvement works.

**(I) Providing Quality Homes**

3. To provide affordable rental housing to low-income families with housing needs, and to help low to middle-income families gain access to subsidized home ownership.

- To provide public rental housing (PRH) to low-income families who cannot afford private rental accommodation.
- To offer subsidised sale flats (SSF) and implement White Form Secondary Market Scheme (WSM). Among them, the five SSF Courts located at Anderson Road Quarry Site, namely On Ying Court, On Wah Court, On Pak Court, On Lai Court and On Sau Court, have been completed in 2025 with intake procedures being finalized successively. They collectively provide more than 5 800 Home Ownership Scheme sold flats, accommodating about 16 360 estimated population.
- To put up for sale the unsold flats in Tenants Purchase Scheme (TPS) estates.

**(II) Promoting Sustainable Living**

4. To enhance the sense of well-being of public housing residents through improving the design for public spaces, facilities and estate environment.

- To implement the Marking Scheme for Estate Management Enforcement, and strengthen the prevention and control of pest and rodents in PRH estates.
- To provide age-friendly and barrier-free estate environment to address the needs of residents of different ages and physical abilities.

- To promote smart estate management by selecting individual estates for trial adoption of innovative technologies, such as Internet of Things sensors, Artificial Intelligence, Robotics and mobile devices.

**(III) Rationalising the Use of Public Resources and Encouraging Upward Mobility**

5. To safeguard the rational and efficient use of public housing resources.
- To strengthen tenancy management, and encourage upward mobility of well-off tenants, so as to prevent abuse of public housing resources and expedite the circulation of PRH flats.
  - To enhance public awareness of the proper use of public housing resources, and enlist their support to combat abuse of PRH.
  - To prevent and detect tenancy abuse through regular flat visits, investigations on the income and asset declarations under the “Well-off Tenants Policies”, and the declarations on occupation position and domestic property ownership in Hong Kong.
  - To combat tenancy abuse more effectively by making amendments to the Housing Ordinance (cap. 283), including introducing new offences of “Serious Tenancy Abuse of PRH flats”, empowering authorised officers to demand personal details from suspects, and extending the limitation of time for prosecution of relevant offences.

**(IV) Implementing various estate maintenance and improvement works**

6. To implement timely maintenance and proper improvement works to ensure a safe and pleasant living environment for the residents. At the same time, to continue to proceed and complete the intake procedures, and rectify defects of the five SSF Courts at Anderson Road Quarry Site.

**Major Works Projects in PRH Estates of Sai Kung District in 2026-2027**

<b>Location</b>	<b>Project</b>
Ming Tak Estate	Replacement of the bicycle racks near Ming Toa House
Hau Tak Estate	Lift Modernization Works (On-going project)
Yee Ming Estate	Landscape Improvement Programme at Yee Ming Garden
Sheung Tak Estate	Replacement of some playground equipment
Kin Ming Estate	External wall repairs and improvement of air-conditioner drain pipes of Ming Yu House and Ming Chau House
Shin Ming Estate	Installation of protective barrier at 1/F canopy of Shin Chi House

**SSF Courts at Anderson Road Quarry Site in 2026-2027**

<b>Location</b>	<b>Follow up actions</b>
On Ying Court	Intake procedures and defect rectification works
On Wah Court	
On Pak Court	
On Lai Court	
On Sau Court	

## **Conclusion**

7. HD will continue improving estate management services with a view to providing quality living environment and building harmonious communities for public housing tenants.

**Civil Engineering and Development Department  
Annual District Plan 2026-27 for Sai Kung and Tseung Kwan O**

**Purpose**

This paper aims to report the progress of project items carried out by the Civil Engineering and Development Department (CEDD) in Sai Kung and Tseung Kwan O (TKO) in 2026-27.

**(I) Projects under Design**

I. 7892CL & 7895CL - Development at TKO Area 137 and Development off TKO Area 132

2. As set out in the 2022 Policy Address, TKO Area 137 will be developed into a new community primarily for housing purpose, providing about 50 000 residential units. Subsequent to the announcement of the enhanced land creation proposal for the development at TKO Area 137 and off TKO Area 132 in November 2024, we attended the Sai Kung District Council meeting and conducted two information sessions in December 2024 to introduce the land creation proposal to local stakeholders. The environmental impact assessment report of the project was approved by the Director of Environmental Protection in April 2025, and the relevant statutory procedures for the amendments to the approved TKO Outline Zoning Plan, and reclamation, road and sewerage works were also completed in 2025. The advance preparatory works of the project commenced in end 2025.

II. 7100CX - Two Footbridges Connecting Joint-user Complex in Area 67, Tseung Kwan O with Neighbouring Developments

3. The project comprises two 4.5m-wide footbridges linking the Joint-user Complex (JUC) under construction in Area 67 with Park Central (about 50m long across Po Yap Road) and The Wings IIIA (about 45m long across Tong Yin Street) respectively (see attachment). Consultancy for the project was awarded in December 2025. Design works are currently underway. Construction works are anticipated to commence in the first half of 2027 for completion in end 2028 to match with the commissioning of the JUC.

## **(II) Works under Construction**

### **I. 716CL - TKO Further Development - Infrastructure Works for TKO Stage I Landfill Site (Remaining Works)**

4. The project provides infrastructure for supporting the recreational development at TKO Stage I landfill site. The works mainly include the construction of a footbridge spanning over the Eastern Channel, and a sewage pumping station and related sewerage facilities. The TKO Promenade Southern Bridge was opened for public use in February 2024. The sewage pumping station and related sewerage facilities were completed and handed over to relevant management and maintenance department.

### **II. 808CL - Site Formation and Infrastructure Works for Public Housing Developments at TKO**

5. The project provides land for residential housing development, involving site formation and infrastructure works for the public housing development site at Northwest of Ying Yip Road, West of Yau Yue Wan Village and East of Hong Kong Movie City. The works are anticipated for completion in 2026.

### **III. 5057TF - Improvement Works at Leung Shuen Wan Pier**

6. The related works were completed in October 2025 and opened to public in November in the same year.

### **IV. 818CL - Development of Anderson Road Quarry Site – Road Improvement and Infrastructure Works**

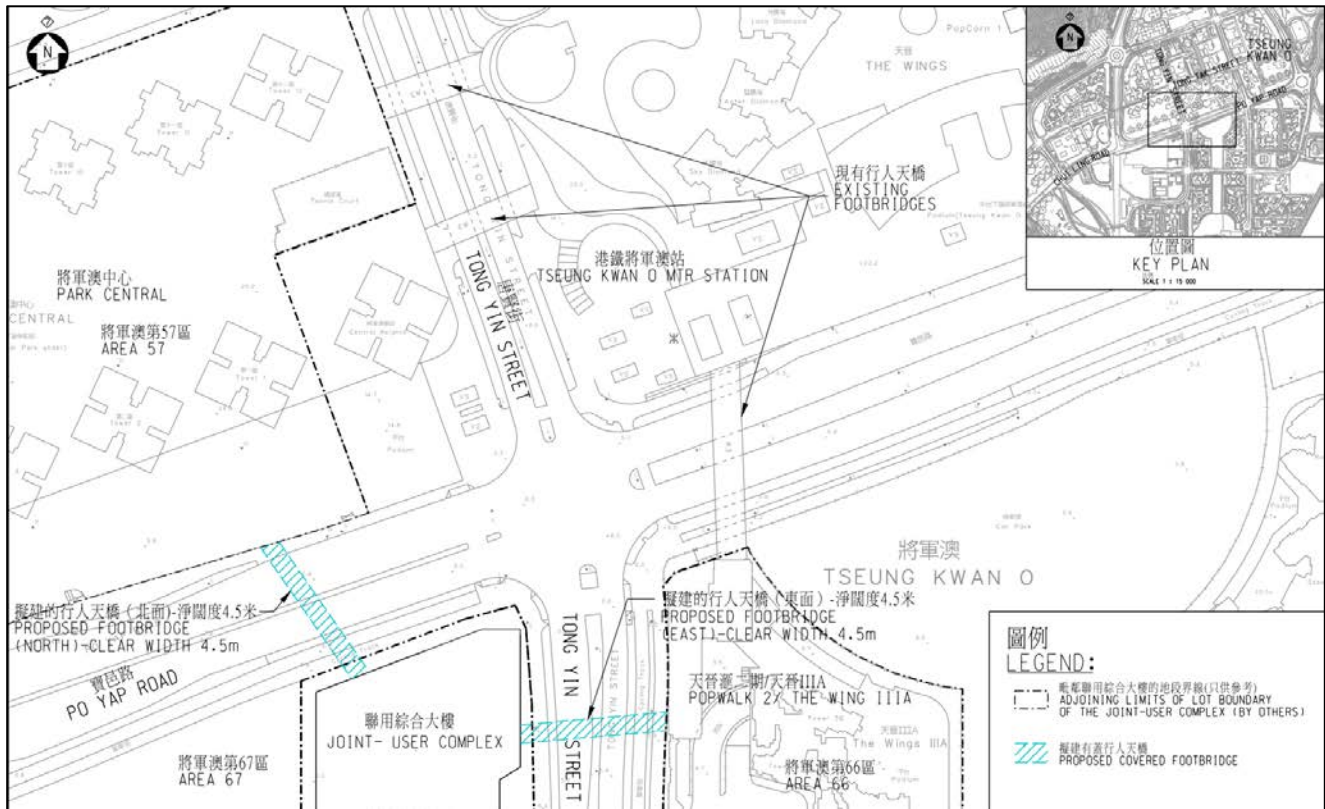

7. The project implements a series of off-site road improvement works and pedestrian connectivity facilities to mitigate the potential traffic impact arising from the population intake of the development of Anderson Road Quarry site. Following the phased completion of the associated pedestrian connectivity facilities and road improvement works, the remaining noise barriers at Clear Water Bay Road and New Clear Water Bay Road are anticipated for completion in 2026. The road improvement works at junction of Lin Tak Road and Sau Mau Ping Road including construction of an about 390m long flyover connecting Lin Tak Road to Sau Mau Ping Road is anticipated to be completed in mid-2027 and ready for commissioning. The project also constructs a quarry flood lake which is anticipated for completion in the first half of 2026.

V. 7851CL & 5792CL - Joint Cavern Development at Anderson Road Quarry Site

8. The project aims to construct the Public Works Central Laboratory (for accommodating the Public Works Central Laboratory at Kowloon Bay that will be demolished afterward) and the Government Records Service's Archives Centre inside the caverns formed in rock slope of Tai Sheung Tok at the Anderson Road Quarry Development Site. The works are scheduled for completion in 2028.

Annual District Plan 2026-27**

**Purpose**

This paper aims to set out the Annual District Plan 2026-27 of the Planning Department (PlanD).

**Work Targets**

2. The objective of PlanD's district planning works is to provide planning framework to guide development by preparation and amendment of plans and other documents.

**(I) Statutory Plan**

3. PlanD will assist to carry out amendments to statutory plans as and when required as well as process representations in relation to statutory plans in accordance with the Town Planning Ordinance. Consultation with Sai Kung District Council and Rural Committees will be taken as appropriate.

**(II) Development Control**

4. PlanD will continue to process development proposals in Sai Kung and Tseung Kwan O, including the processing of planning applications, reviews and appeal under the Town Planning Ordinance. PlanD will also continue to provide statutory planning comments to development proposal in other aspects including consultancy studies, building plans, applications related to land administration and government works, etc.

**Conclusion**

5. Members are invited to note the Annual District Plan 2026-27 of PlanD.

**Transport Department  
Annual District Plan 2026-27**

**Purpose**

This paper aims to set out the Annual District Plan 2026-27 of the Transport Department (“TD”) in Sai Kung District.

**Work Targets**

2. The TD strives to maintain the traffic and continuously enhance various public transport services to meet the commuting needs of passengers by managing road traffic, regulating public transport services, as well as planning for the future to cope with the growth in demand for transport facilities and services, etc.

**(I) Bus Route Planning Programme for Sai Kung District**

3. The TD and the franchised bus companies will submit annual programme on the proposed changes in franchised bus services for the coming two years in response to the new developments and changes in population in the district. Service improvement, introduction of new routes and bus-bus interchange schemes, and service rationalization proposals will be made and implemented to meet passenger demand and to enhance the efficiency of bus network. The TD expects to submit the Bus Route Planning Programme for Sai Kung District 2026-27 to the Traffic and Transport Committee in the first quarter of 2026 for discussion. The TD expects to report the result of consultation to the Traffic and Transport Committee in mid-2026, and to implement the settled items when appropriate.

**(II) Major Changes in Public Transport Services**

4. To ensure public transport services match changes in passenger demand, the TD will continue to monitor the provision of public transport services in the district. Consultation with the Traffic and Transport Committee on major changes in public transport services will be conducted to ensure that services provided would meet passenger demand.

**(III) Road Improvement Works**

5. To upgrade, improve and expand the existing road network to cope with demand, the TD will continue to monitor the traffic conditions in the district. Necessary improvement (both major and minor) will be planned and implemented

to cater for possible traffic growth. It is expected that the following major improvement works will commence / are in progress:

- (i) Road improvement works in the roundabout near Clear Water Bay Road and Ying Yip Road to provide an exclusive left turn lane;
- (ii) Signalising the Pedestrian Crossing at Clear Water Bay Road near Razor Hill Road;
- (iii) Relocation of Taxi Stand and General Loading/unloading Area, and Designation of Goods Vehicle Only Loading/Unloading Area at Chan Man Street; and
- (iv) Provision of cycling tracks at Po Hong Road outside Tseung Kwan O Sports Ground.

#### **(IV) Traffic Management Scheme**

6. To ensure the safe and efficient use of the existing road network, the TD will review major road junctions and speed limits where appropriate to improve traffic condition and road safety.

#### **Conclusion**

7. The TD will continue to driving forward related tasks to facilitate the commuting of citizens.

Annual District Plan 2026-27**

**Purpose**

This paper aims to set out the Annual District Plan 2026-27 of the Highways Department (“HyD”) in Sai Kung District.

**Work Targets**

2. The HyD strives to enhance the quality of public roads and associated highway facilities under its purview through regular maintenance, repair, and improvement works, in order to ensure the safety of road users and to cope with the local developments and commuting demands of the public.

**(I) Dualling of Hiram’s Highway from Marina Cove to Sai Kung Town (hereinafter referred to as “Hiram's Highway Improvement Stage 2”)**

3. The works contract for the Hiram's Highway Improvement Stage 2<sup>1</sup> commenced on 24 December 2024. Currently, the detailed design and pre-construction works including ground investigation and trial pit excavation are substantially completed, while laying of temporary watermains and clearance of structures are in progress.

4. The HyD will commence road improvement works in the first quarter of 2026, including road widening, slope and retaining wall works. It is anticipated that works on the Tai Mong Tsai Road section will be completed in about four years after commencement, while the remaining Po Tung Road and Hiram’s Highway sections are expected to be completed in the subsequent one to two years. The

---

<sup>1</sup> The scope of works for Hiram's Highway Improvement Stage 2 includes -

- (a) Widening of two sections of Hiram's Highway, with a total length of approximately 3.5 kilometres, between Marina Cove and Pak Sha Wan, and between Pak Sha Wan and Sai Kung Town, from a single two-lane carriageway to a dual two-lane carriageway;
- (b) Widening of the Pak Sha Wan section of Hiram's Highway, approximately 100 metres in length, from a single two-lane carriageway to a single four-lane carriageway;
- (c) Widening of a section of Po Tung Road, approximately 400 metres in length between Yau Ma Po Street and Fuk Man Road, from a single two-lane carriageway to a dual two-lane carriageway;
- (d) Improvement of a section of Po Tung Road and Tai Mong Tsai Road, approximately 600 metres in length between Fuk Man Road and Wai Man Road, to a standard single two-lane carriageway;
- (e) Construction of a pedestrian subway across Hiram's Highway with lifts in Pak Sha Wan; and
- (f) Ancillary works, including drainage, waterworks, slope stabilisation, public lighting, noise barriers, landscaping works, reprovision of affected government facilities, as well as other associated works.

project team will maintain close communication with local stakeholders to better respond to public needs and minimise impacts on nearby residents.

## **(II) “Universal Accessibility” Programme**

5. The HyD has been actively installing barrier-free access facilities at existing walkways (i.e. footbridges, elevated walkways, and subways) in the district. Ongoing projects include:

- (i) Provision of lift facilities for the footbridge across Tsui Lam Road connecting Tsui Lam Shopping Centre and King Ming Court (Structure No. SK02);
- (ii) Provision of lift facilities for the footbridge across Clear Water Bay Road near Pik Uk Correctional Institution (Structure No. NF294);
- (iii) Provision of lift facilities for the subway across Po Ning Road near Tseung Kwan O (Po Ning Road) Health Centre (Structure No. NS149);
- (iv) Provision of lift facilities for the footbridge across Tsui Lam Road Connecting Tsui Lam Estate Car Park and On Lam House (Structure No. TL01); and
- (v) Provision of lift facilities for the footbridge across Ling Kwong Street connecting Kin Ming Estate and Choi Ming Shopping Centre (Structure No. KM01).

## **(III) Road Maintenance and Repair**

6. The HyD will continue to regularly inspect and maintain roads and associated highway facilities in the district to ensure they are kept in good condition. Routine maintenance includes detecting road surface defects, prompt repair of potholes, as well as immediate inspection and restoration works after adverse weather conditions.

7. The HyD will also formulate appropriate maintenance plans based on factors such as road wear condition, traffic flow, and the surrounding environment. These may include resurfacing works to further improve overall road conditions.

## **(IV) Road Improvement Works**

8. To address the increasing traffic demand and further enhance and expand the existing road network, the HyD will continue to work closely with the Transport Department to actively take forward necessary road improvement works to cope with possible traffic growth. The following improvement works are expected to commence or are in progress:

- (i) Road improvement works in the roundabout near Clear Water Bay Road and Ying Yip Road to provide an exclusive left turn lane;
- (ii) Signalising the Pedestrian Crossing at Clear Water Bay Road near Razor Hill Road;
- (iii) Relocation of Taxi Stand and General Loading/unloading Area, and Designation of Goods Vehicle Only Loading/Unloading Area at Chan Man Street; and
- (iv) Provision of cycling tracks at Po Hong Road outside Tseung Kwan O Sports Ground.

## **Conclusion**

9. The HyD will continue to drive forward the above tasks to enhance the road quality and to cope with the local developments and the public needs.
