

Sai Kung District Council
Progress Report of the Working Group on Building Management

The first meeting (2026) of the Working Group on Building Management (BMWG) of the Sai Kung District Council was held on 13 January 2026. The major issues discussed at the meeting were summarised as follows:

Common scenarios in building management and related consultation and support services

2. BMWG noted the content of the paper.
3. BMWG discussed the specific functions of BMWG and identified the current challenges encountered in building management. BMWG also shared the experiences in participating in owners' corporation meetings, and the assistance that District Council members could provide.
4. BMWG suggested strengthening communication with various government departments, and would invite representatives from government departments to attend future meetings.
