

Progress Report on Southern District Health Centre

Purpose

This paper updates members on the progress of the Southern District Health Centre (S DHC).

Background

2. Food and Health Bureau (renamed as Health Bureau) introduced District Health Centre (DHC) Scheme to Southern District Council in September 2020. The Bureau appointed Aberdeen Kai-fong Welfare Association Limited on 31 March 2022, through an open tendering process, as the operator for the Southern DHC.

3. Southern DHC commenced service on 17 October 2022, and the progress updates prepared by the operator of Southern DHC is outlined in the Annex.
