

Sha Tin District Council

Report on the Meeting of the
Health and Environment Committee held on 10 January 2019

- (1) The Committee discussed and endorsed the following:
 - (i) “Redevelopment of PWH, Phase 2 (Stage 1) - Foundation Works for In-patient Extension Block” submitted by the Hospital Authority (20 votes in favour and 2 against); and
 - (ii) “Relocation of Sha Tin Sewage Treatment Works to Caverns - Upstream Sewerage and Pumping Stations” submitted by the Drainage Services Department (Unanimously passed).
- (2) The Committee discussed the “Wild Pig Management Action Strategies” submitted by the Agriculture, Fisheries and Conservation Department.
- (3) The Committee endorsed the “2018-2019 Revised Work Plans and Funding Applications of Working Groups under the Committee” (Unanimously passed).
- (4) The Committee noted the responses of the relevant government departments to matters arising from the previous meeting.
- (5) Owing to the lack of a quorum, the Chairman decided that the provisional motion on “Wild Pig Management Action Strategies” proposed by members, the 2 questions on the “Provision of Baby Caring Facilities in Sha Tin District” and the “Local Pig Rearing Sector and Inspection and Quarantine Arrangement of Imported Pork Products” raised by members, and 4 information papers including “Report of Working Group”, “Sha Tin District Year-end Clean Up 2019”, “Sha Tin District Anti-rodent Campaign 2019 (First Phase)” and “Statistical Overview of Sha Tin District Environmental Hygiene Service (as at 30 November 2018)” would be dealt with at the meeting resumed on 15 January 2019.
