- (3) The Committee discussed the Opening of “Tuen Ma Line Phase 1” and the public transport arrangements, and endorsed the motion as follows:

“Background

When making the public transport arrangements for the ‘Tuen Ma Line Phase 1’, the Transport Department (TD) did not carry out measures to help the minibuss operator running Route Nos. 803, 803A, 803K, 804 and 805S deal with the consequential patronage loss of Route No. 803K (Hin Keng to and from Tai Wai Station) following the opening of Hin Keng Station, and to help it avoid being closed down due to substantial losses and dire business straits resulting from the financial impact on the set of routes.

Motion

The Traffic and Transport Committee of the Sha Tin District Council strongly requests that the TD help the operator re-plan the existing routes, study the feasibility of providing new routes, merge the minibuses under the same business group in the district, etc. in order to improve the business environment and prevent the operator from shutting down due to substantial losses and dire business straits.” (Unanimously passed)
