

Sha Tin District Council

Report on the Meeting of the
Health and Environment Committee held on 4 May 2021

- (1) The Committee discussed the following:
- (i) the “Progress of Redevelopment of Prince of Wales Hospital, Phase 2” submitted by the Hospital Authority (HA) and passed the following provisional motion:

“Background:

At present, only Lek Yuen General Out-patient Clinic and Ma On Shan Family Medicine Centre provide evening public general out-patient services in Sha Tin, which is unable to meet the demands made by members of the public in the district, especially those in the vicinity of Siu Lek Yuen, Shek Mun, Yuen Chau Kok, and Sha Tin Wai.

Motion:

The Health and Environment Committee of the Sha Tin District Council urges the relevant departments to expeditiously provide evening general out-patient services at Yuen Chau Kok General Out-patient Clinic, and strengthen the provision of consultation services on Sundays and public holidays.” (Unanimously passed); and

“The Health and Environment Committee of the Sha Tin District Council strongly demands that the Food and Health Bureau and the Hospital Authority simultaneously improve the neighbouring Yuen Chau Kok Bus Terminus and the recently added pick-up and drop-off area outside the new entrance of the hospital during the redevelopment of Prince of Wales Hospital Phase 2 for the enhancement of the planning of waiting for public transports at the hospital and the convenience of members of the public who use medical facilities.” (Unanimously passed);

- (ii) the reply of the Transport Department to the question on “Air Quality of Sha Tin Central Bus Terminus”; and
- (iii) the replies of the Food and Health Bureau, the Department of Health

and the HA to the question on “Healthcare Services in Sha Tin”.

(2) The Committee endorsed the following:

- (i) proposed earmarked provision and funding proposals of local organisations under Expenditure Head 4 (Health and Environment) of 2021-2022; and
- (ii) updated membership lists of working groups under the Committee.

(3) The Committee noted the following:

- (i) the responses of the relevant government departments to matters arising from the previous meeting;
- (ii) the achievements of Sha Tin District Year-end Clean-up 2021;
- (iii) Sha Tin District Anti-mosquito Campaign 2021 (Second Phase);
- (iv) the proposal for refurbishing To Tau Village Public Toilet;
- (v) the proposal for refurbishing Ma Liu Shui Waterfront Public Toilet; and
- (vi) Statistical Overview of Sha Tin District Environmental Hygiene Service (as at 31 March 2021).
