23 December 2014

Dear Ms. Ho,

**Request to Convert Former the Salvation Army
Sam Shing Chuen Lau Ng Ying School into
School, Library and Government Facilities Uses**

I refer to your letter of 19 December 2014 inviting representatives from this Agency to attend the Tuen Mun District Council's meeting which is to be held on 6 January 2015..

The school in question is a specialist/departmental building of Education Bureau, which is responsible for the management, maintenance and use of the school. Since Education Bureau has not decided and requested for the Agency's assistance to make the school available for use by other bureaux or departments, the Agency is not in a position to offer view on the future use of the school or send representative to attend the above meeting.

Yours sincerely,

(KK Lo)

for Government Property Administrator
