**Environment, Hygiene and District Development Committee**

**Environmental Hygiene Service Report by**  
**Tuen Mun District Environmental Hygiene Office of**  
**Food and Environmental Hygiene Department**

**(1.7.2016 – 31.8.2016)**

**A. Summary**

(1) Illegal hawking and illegal extension of business by shops at Chi Lok Area (37B) in Tuen Mun

Food and Environmental Hygiene Department (FEHD) has all along been taking action to combat illegal hawking and illegal extension of business by shops in the vicinity of Chi Lok Area. In order to deter these illegal activities, apart from routine patrol, FEHD will also mount blitz enforcement operations from time to time. During the two-month reporting period, a total of 12 prosecutions against illegal hawking and illegal extension of business by shops in the area during have been instituted. Continuous efforts and appropriate actions would be taken to monitor the situation at the area.

(2) Prevention of cholera

During the two-month reporting period, no case of cholera was recorded in Hong Kong. To monitor the quality of seawater for keeping live seafood in seafood retail outlets, FEHD has taken a total of 135 fish tank water samples from Tuen Mun District for microbiological analysis. Of all the samples examined, 1 sample of E. Coli level was found to be unsatisfactory, while the remaining samples were satisfactory. Follow-up sample was taken and result is pending.

(3) Removal of unauthorized bills and posters

FEHD has made continuous efforts to remove unauthorised bills and posters put up in public places. During the two-month reporting period, a total of about 10,300 bills and posters were removed by FEHD staff.

(4) Use of easy-mount frames and placards to display bills and posters in public places without permission

During the two-month reporting period, FEHD has launched 4 and 7 operations at two blackspots, namely on the walkways at Tuen Mun Cultural Square and in the vicinity of Leung King LRT Station respectively. A total of 52 easy-mount frames and posters displayed at the locations were removed during the operations. Continuous efforts to the two blackspots as mentioned, among others, will be taken to ensure environmental hygiene and passageways free from obstruction.

(5) Nuisance caused by food premises with unauthorized extension of food business

FEHD has been taking rigorous law enforcement actions to curb illegal extension of business areas caused by food premises. At present, 4 notorious blackspots in Tuen Mun District, namely Kei Lun Path, Tsing Chui Path, Glorious Garden and Goodrich Garden have been under closely monitoring by Task Force on weekdays and holidays during peak hours. At present, the problem of illegal extension of business caused by food premises at these spots has improved significantly. During the two-month reporting period, a total of 58 prosecutions against food premises were taken out including 24 prosecutions related to illegal extension of business areas.

(6) Sale of meat from non-approved sources

During the two-month reporting period, FEHD has made 2 blitz operations against fresh provision shops and meat retail outlets but no irregularity was found.

(7) Unlicensed hawkers and street obstruction

FEHD has been taking enforcement actions against unlicensed hawkers and illegal extension of business caused by shops. During the two-month reporting period, a total of 54 summonses and 30 cases of seizure were instituted against illegal hawkers.

(8) Pest control

During the two-month reporting period, FEHD eliminated a total of 136 rodents. Please refer to Annex I for the details. A ten-week Anti-mosquito Campaign 2016 (Phase III) has been launched since 15 August 2016 and will be completed on 21 October 2016. This Operation aims at encouraging active participation in anti-mosquito work by people working or living in target areas and the peripheries. During the Campaign, FEHD has conducted a series of operations to remove stagnant water and prevent mosquito infestation at potential mosquito breeding sites in the district, particularly human residences, schools, construction sites, public housing estates, hospitals, illegal cultivation sites, waterfront public and private cargo working areas, and typhoon shelters. Please refer to Annex II for the Action Plan of the Anti-mosquito Campaign 2016 (Phase III).

(9) Enforcement action against illegal dumping of refuse

The provision of Litter Containers (LCs) on street by FEHD is to facilitate the disposal of litters by pedestrians. However, illegal dumping of domestic/trade wastes at public places and on top or at side of LC is not rarely seen. In order to publicize the proper use of LCs, FEHD has enhanced public education and publicity work since June 2016. Also, from 5 to 8 September 2016, advisory letters had been distributed to shop operators in the vicinities of Tsing Ho Square and Kai Man Path which are blackspots of illegal dumping of refuse. Thereafter, we will step up enforcement action against illegal dumping of refuse at these blackspots with a view to improving the ground situation and enhancing the deterrent effect.
