Dear The Hon Cheung

Hong Kong Cancer Day 2016

11 December 2016 (Sunday) at Kowloon Park

Building upon the success of previous years, it gives us great pleasure to announce that the Hong Kong Cancer Day 2016 will be held on 11 December 2016 (Sunday) at Piazza of Kowloon Park. We are most honored to have **Mrs Carrie Lam Cheng Yuet-ngor (林鄭月娥女士)**, Chief Secretary for Administration to be our Guest of Honor and renowned artist **Mr Steven Ma Chun-wai (馬浚偉先生)** to be our Event Ambassador.

This year, we will continue our efforts, in collaboration with concerned stakeholders in the public, private and NGO sectors, to raise public awareness on the prevention/early screening, and to provide quality treatment, rehabilitation and support services to cancer patients and their families.

Your esteemed Council has been actively involved in cancer fighting and related work in Hong Kong and we are deeply grateful to your input and participation of last year's Hong Kong Cancer Day which has contributed to its success. We sincerely hope that we can join hands again this year in organising this meaningful event to build a happy, healthy and harmonious Hong Kong.

Attached please find the reply slip for your kind consideration. A detailed program rundown of the Hong Kong Cancer Day will be forwarded to you in due course. We invite you to complete the enclosed reply form and please kindly return on or before **21 October 2016**. Should you require further information, please feel free to contact Ms. Emmas Yeung, our Communication & Fundraising Officer at Tel: 3921 3829 or Email: emmas.yeung@hkacs.org.hk.

Our heartfelt thanks in anticipation of your favorable reply and continued support.

Yours sincerely,

Patricia Chu-Yeung Pak Yu, BBS
Chairman
The Hong Kong Anti-Cancer Society
