Dear Mr. Yeung,

Complaint Nuisance and Obstruction  
in Canton Road and Star Ferry Pier

Canton Road and Star Ferry Pier are renowned shopping and tourist spots in Yau Tsim Police District where we attach great importance to the law and order thereat. We would step up patrol and continue to take enforcement actions against persons who cause nuisance or obstruction to the public by touting activities.

Between June 2014 and March 2015, the Police issued a total of 56 summonses against touting activities. The Police would continue law enforcement actions and work with other departments to improve the situation.

Yours sincerely,

(CHAN Yur-kam, Felix)  
Commissioner of Police
