2025

# YAU TSIM DISTRICT FORMATION ACTION PLAN 2025

## NATIONAL SECURITY

- Collect intelligence and information to prevent and deter acts and activities endangering national security.

## VIOLENT CRIME

- Take stringent enforcement actions and maintain strong police presence at high-risk locations particularly at problematic bars and night clubs.
- Strengthen intelligence-led operations to target violent crime involving weapons, firearms and explosives.

## STREET-LEVEL CRIME AND STREET MANAGEMENT

- Maintain high visibility of uniformed patrols to enhance public confidence.
- Proactively engage Government and non-Government stakeholders to identify and handle street management issues.

## TRIADS, SYNDICATED AND ORGANISED CRIME

- Enhance intelligence gathering and mount operations against triad activities particularly those exploiting youths, activities and syndicated crime including money laundering, and confiscate proceeds of crime.
- Adopt multi-agency approach, fully make use of Community Support Service Scheme and engage with NGOs to combat crimes involving youths.

## DANGEROUS DRUGS

- Target drug trafficking and street-level drug activities.
- Prevent youths from being exploited for drugs trafficking activities through multi-departmental approach and engagement with NGOs and schools.

## DECEPTION AND QUICK CASH CRIME

- Enhance public awareness and secure support through public-private partnership and multi-agency approach to prevent deception and quick cash crime, particularly telephone, internet and social media deception.

## PUBLIC SAFETY

### Public Disorder and Public Events

- Enhance preparedness and capability through regular training.
- Proactively engage public events stakeholders and strengthen intelligence-led operations to deal with public disorders.
- Ensure public events, large-scale sports, entertainment and celebration events are held in a safe, orderly and secure manner.

### Road Safety

- Continue to maintain smooth traffic flow through application of Selected Traffic Enforcement Priorities (STEP), the use of technology, including e-Ticketing and mobile video and strengthening of enforcement against illegal parking and obstruction.

### Major Incidents and Extreme Weather

- Strengthen capability and readiness in handling major incidents and extreme weather situation through regular training, multi-agency exercises and updating contingency plans.

## TERRORISM

- Engage stakeholders and conduct risk assessment in public events with commensurate deployment.
- Maintain officers' awareness and strengthen counter-terrorism competence through regular training, exercises and updating contingency plans.
- Protect major roads, critical infrastructure and sensitive premises, to enhance the interoperability amongst responding police units, the Mainland Authorities, the MTRC and other government departments in handling terrorist incidents at the West Kowloon Station.

## CONNECT COMMUNITY

- Strengthen ties with stakeholders through Project Gemstone, Project Silver Arrow and other activities.
- Enhance public trust, particularly among youth, in the police force to safeguard national security, public order, and public safety.
- Garner public support for policing and restore law-abiding awareness of the public.

## POLICING OF THE 15TH NATIONAL GAMES

- Ensure events associated with the 15th National Games are held in a safe, orderly and secure manner.
